

# End-of-Life Milestone Notice

**Products Affected:** SecureSphere WAF, DSG, DMG, MX  
**Software Releases Affected:** SecureSphere version 6.x  
**Revision Number:** 1  
**Issue Date:** January 31, 2012

## Overview

Imperva SecureSphere Software Version 6.x has reached its End of Support date (EOS Date). Imperva will no longer offer software support, including software patches, security updates, or technical assistance for SecureSphere Software Version 6.x and the product is now considered at the end of its lifecycle.

## End-of Life Timeline

Milestone	Date
Version 6.x End-of-Life notification	January 31, 2011
Version 6.x End-of-Support Date (Customers must upgrade to a supported version by this date)	January 31, 2012

## Product Migration Options

Release versions 8.x and 9.x are currently shipping and available for SecureSphere appliances. Customers under current maintenance contracts are encouraged to upgrade to a more current SecureSphere software version. Imperva is offering professional services packages to assist customers with software upgrade processes and new product training. Contact your local Imperva sales representatives about program details, or contact Imperva directly.

## EOL Terms

**Last-Order-Day (LOD):** The last date to order the product through Imperva or affiliates.  
**End-of-Life (EOL):** A process that consists of a series of technical and business milestones and activities that, once completed, make a product obsolete. Once obsolete, the product is not sold, manufactured, improved, repaired, maintained, or supported.  
**Hardware:** The physical appliance and its physical components.  
**Software:** firmware and software applications that run on Imperva Hardware

The statements made in this letter are for customers information only and do not create a separate contract with Imperva, Inc., or variance from or addition to an existing contract with Imperva.
