IMPERVA®

End-of-Life Milestone Notice

Products Affected: SecureSphere Web Application Firewall, Database Firewall, and File Security Products, SharePoint Protection and the MX Management Server

Software Releases Affected: SecureSphere version 10.x

Revision Number: 1

Issue Date: February 28, 2017

Overview

This is the End-of-Life (EOL) announcement for Imperva SecureSphere v10.x (v10.0.x and v10.5.x). As of this date, Imperva will not issue software patches for SecureSphere v10.x. Imperva will continue to support the product for existing customers until the product reaches the End of Support (EOS) milestone on March 5, 2018 (EOS Date). After the EOS date, Imperva will no longer offer software support, including security updates, or technical assistance for SecureSphere Software Version 10.x and the product will be considered at the end of its lifecycle.

End-of Life Timeline

Milestone	Date
Version 10.x End-of-Life notification	February 28, 2017
Version 10.x End-of-Support (Customers must upgrade to a supported version by this date)	March 5, 2018

Product Migration Options

SecureSphere Release versions 11.x and 12.x are currently shipping and available for SecureSphere appliances. Customers under current maintenance contracts are encouraged to upgrade to a more current SecureSphere software version. Imperva is offering professional services packages to assist customers with software upgrade processes and new product training. Contact your local Imperva sales representatives about program details, or contact Imperva directly.

EOL Terms

Last-Order-Day (LOD): The last date to order the product through Imperva or affiliates.

End-of-Life (EOL): A process that consists of a series of technical and business milestones and activities that, once completed, make a product obsolete. Once obsolete, the product is not sold, manufactured, improved, repaired, maintained, or supported.

Appliance: The physical appliance and its physical components.

Software: Firmware and software applications that run on Imperva Hardware
